

BUNDAN CELTIC FESTIVAL - BONDENO

Via Argine Po, 44012 Stellata FE
44.9383628, 11.4198331

In 2005 a group of young people with a passion for historical re-enactment and the history of the Celtic people sits together on a cold winter evening in Burana: they will merge the cultural association Teuta Lingones. From there, armed with a strong will and an irrepressible and visionary enthusiasm, they will give life to the Bundan Celtic Festival. Since the first edition, the success of the festival has been incredible: 15,000 people arrive in the gorge park of the Mighty Rock of Stellata and immediately be enchanted by the magical atmosphere of this unusual festival. Today the Bundan Celtic Festival is one of the most important Celtic festivals in the country, has more than 30,000 attendances every year and has become an essential event for the territory of Bondeno not only for the beautiful atmospheres in which you can immerse yourself every year its inhabitants but also for the tourist promotion it generates.
