Of exceptional natural beauty, the Lekatsa Forest lies near the village of Myrsini, 35km from Preveza. It is a forest full of rare plant life, a natural game reserve. Magnificent plane and oak trees abound and the Arethon River flows through the forest, adding a particular beauty to the setting. A visit to the forest is a must for all visitors, especially nature-lovers. They will be well-compensated by what they will see.
