43.8184126, 18.4608877

South from the Old Town of Sarajevo is Trebević mountain, whose slopes have become part of the city. Trebević is situated at 1629 m above sea level, and the mountain is connected eastwards with the mountain of Jahorina. It is about 12 km from the city center by road, climbing over the slopes of the neighborhood can be reached by walk for about one hour and thirty minutes. Trebević is the main outing spot of Sarajevans since old times. Affordable geographic position, altitude, mild climate and natural beauty have grown into the hearts of nature lovers. With Sarajevo's neighborhoods on its slopes, it represents a unique harmony of urban and natural, and complete space is characterized by great biodiversity.
