

Natural Monument Tajan

Zavidovii

44.4383939, 18.1453909

In an impressive mosaic of BH peculiarities, a particular place belongs to the Monument of Nature Tajan. It is the youngest protected area in Bosnia and Herzegovina and the only one in the Zenica-Doboj Canton. A favorable geographical position and accessibility of all its parts provide exceptional opportunities for recreation and tourism. It has all the necessary facilities and infrastructure for an interesting and pleasant stay. Numerous mountain peaks, rivers, lakes, long underground streams, canyons and waterfalls, caves and pits, a large karst spring, and archaeological sites make the Tajan Monument a place to enjoy. The first mountain bike race in the history of BH cycling was held exactly in Zavidovići in Tajan area.
